Payment may be made via PayPal if you use it. Payment to pacoastie@att.net, see S&H notes below.

All orders must include a stamped and addressed envelope large enough for the return of the covers you order, with appropriate postage attached. For overseas orders, there is no longer a "small packet air" rate. For instance, a package containing 100 covers to Germany previously cost me \$8.70 to mail. It now costs \$10.76 for the same parcel. Please estimate overseas postage, 1oz. is 98c to Europe, 2 oz. \$1.82. Payment must be in US \$ (dollars) in a US money order or a check drawn on a US bank. Small orders may be paid in mint US postage stamps. We can not use stamp denominations over \$5.00 or bulk rate, non-profit, pre-cancel, pre-sort stamps or "official" stamps. If you pay via PayPal be sure to estimate postage with your payment and add \$1.00 S&H. If you write about an order not received, we ask that you include a stamped envelope for a reply. Many construction events experience delays, and at times some post offices do not return our envelopes in a timely manner. These all cause delays. We mail your order, as soon as the last cover due you is available. A few events are label addressed. Thank you for your order. *Rich Hoffner* USCS # H-4456

Automatic Cover Service: The chapter maintains a deposit service for those who want to receive covers on a regular basis against a deposit. If you are interested, you may send a deposit to start an account. Send the chapter \$30.00 and ten #10 self-addressed and stamped envelopes (S.A.S.E.). This will get you started. Just let us know what covers to send to you. The covers will be mailed three or four at a time, as available. Some collect all covers we do. Others just USCG, some just USN, others just submarines and still others have varied wants. You let us know what to send, and that's what we will do. As covers are mailed, you will be kept informed of your balance and when to renew your deposit. You will also get a copy of the most recent chapter "Newsey/letter", with naval tidbits of news, personal notes and opinions, not necessarily in that order.

Chapter Meeting Notices: If you are within driving distance of the Delaware Valley, we welcome you as a member of the chapter. If you would like to receive meeting notices for Decatur Chapter, drop me a line and we will put you on the mailing list for notices. Meetings are held at various members homes, usually on Sunday afternoons. Call me at home, 215-721-8606 or on my cell at 215-622-0139.

Blems, rejects, errors, ink stains, wrinkles, poorly applied postmarks: Call them whatever, but as I print covers I try to cull out those with problems, etc. These are available at 20 for \$3.00 plus postage. No returns or replacements, my choice of events. If you reorder, let me know what you already have and I will try not to duplicate. Postage is \$1.73 on 20 covers since it becomes a package with the new postal regulations. If you order between 50 and 200, postage is priority mail at \$4.90 (domestic flat rate) until the next postage increase. Overseas is 98c per ounce, \$1.82 for 2 oz..

USCS Cover Service: As a benefit to USCS members, I manage the USCS cover service. We will cover various ships and the covers are usually for the "First Day of Use" for a new ships cachet stamp. You may send up to 20 covers for future covers. The covers should be 6 ¼ size envelopes, with a filler card inside and have proper postage attached and be addressed to you. Do not seal your envelopes. I don't have time to take requests for special ship classes or events, so if you send covers, you will get back whatever the next ship I send covers to. It could be anything, even a Coast Guard cutter.

Postage reminder: Please remember that if the mailing back to you is bulky it becomes a first class "package" and rates are different then just getting two or three covers. These rates start at 83c and 1.13. A package containing 20 covers will cost \$1.73, The same package overseas is \$3.96. Try to calculate postage and prepare your return envelope accordingly. Postage can be verified at USPS.com. *If you want me to verify postage, email me at pauscg@gmail.com*

PayPal payments. Orders up to 100.00 please add 1.00 S&H. Over 100.00 contact me for S&H fees.
